

Minulý čas průběhový a minulý čas prostý

Jméno:

Prostuduj učebnici str. 34 – 35, zkoukni prezentaci a video v Teeamsech.

1) Read the sentences and show their meaning in the time line. Look at the example. (Přečti si věty a vyznač jejich význam na časové přímce. Prohlédni si příklad.):

Example: While I was listening to my MP3, the phone rang.

a) When he came home, his sister was doing her homework.

b) While you were reading the article, the teacher asked you to stop.

c) While we were having dinner in the restaurant, the electricity switched off.

d) When it started raining, we were mushrooming in the wood.

e) While they were driving on the motorway to Prague, they saw a car accident.

2) Complete the sentences with the verbs from the brackets. Use Past Simple or Past Continuous. (Doplň věty se slovesy v závorkách. Použivej minulý čas prostý nebo minulý čas průběhový.):

- 1) While she _____ (cut) the onions, she _____ (cut) her finger.
- 2) When they _____ (hear) the news, they _____ (go) home from work.
